Re: Anthem Data Breach Update
Date: February 26, 2015

We would like to share with you some important suggestions from a webinar held by lawyers of Baker Hostetler.

- Anthem will be offering credit monitoring to affected individuals
- It is advisable for all employees to monitor their payment card accounts, bank accounts, credit reports and explanation of benefits statements carefully. ***(A reminder you can receive a free annual credit report. To order a free credit report, you can visit www.annualcreditreport.com or call toll free at 1-877-322-8228)***
- You may also contact the three major credit bureaus to place a 90-day fraud alert on your credit reports. Fraud alerts protect against the possibility of an identity thief opening new credit accounts.
- If you see unusual activity, you should contact your bank, payment card issuer, credit reporting agency, and Anthem immediately.

Please remember we are posting updates in regards to the Anthem Data Breach on the District website under the Personnel section.

Thank you.
