The Bellmore-Merrick Central High School District is very excited to announce that we are organizing a 5K Run/Walk, with all proceeds benefitting the Pediatric Cancer Unit at Memorial Sloan Kettering. The "One Voice One Message One Run" will take place on the morning of Saturday, March 21, 2015 at 9:00 AM. The run/walk will begin and end at Grand Avenue Middle School with a pass through Merrick Avenue Middle School. The updated tracks at the two middle schools will be utilized as part of the event as well. All six schools within the district will be a part of this worthwhile cause to unite the district through community service.

Please help us publicize this event by sharing this information with your faculty at the February 3rd or February 4th Faculty Meeting in your building and with your Site Based Committee. We are hoping that faculty members and their families will participate in the event. They can run or walk and/or volunteer to help out. We are also hoping that faculty advisors of clubs and athletic teams will get their clubs and teams involved. We have begun soliciting support from local organizations such as the PTAs, the Lions Club, and the Kiwanis Club but welcome other suggestions as well.
