

# NYSUT Pipeline Regional Training

**Make a difference.  
Get Elected.**

**When educators run for office,  
more good people are elected!**

Registration for NYSUT's annual pipeline training registration has begun!

Over a six week period, you will develop the skill necessary to be a candidate for office, manage a campaign or simply run the most effective school board race in your region.

From crafting the winning strategy, to developing the perfect message and learning the latest technologies, NYSUT's training will give you and your local the winning edge in campaigning.
